<p>On 11/4/16 at 1706 hrs, I, Officer Toni Cox # 1159 was dispatched to 1827 Esters Rd Irving, Texas to a disturbance. The victim, Mark Casarez, W/M [REDACTED] stated that he was jumped and assaulted by 5 B/M and 1 W/M.</p> <p>I spoke with Mark and he stated that yesterday (11/3/16) a group of guys at school were arguing and picking on one of his friends so he decided to intervene. The guys were also calling him "gay". Mark shoved [REDACTED] who was the primary aggressor and then they all left the scene. This happened at around 0800 yesterday 11/3/16. Mark stated that when he got on the bus yesterday afternoon, to avoid conflict, he decided to take the bus stop 2 stops away from his house and then walk home. Mark went to school this morning and thought that every thing was fine. When Mark got off of the bus this afternoon, the same guys that were involved yesterday jumped him by punching him in his face. IFD arrived at the scene and stated that Mark's mom, [REDACTED] was going to come pick him up and transport him to the hospital. Mark refused to go by ambulance to the hospital. Mark's right eye was swollen and already turning black and he also had a large lump on his upper jaw and stated that he couldn't open his mouth all of the way and felt pain.</p> <p>Mark knew the names of most of the suspect's involved in the altercation. Mark stated that [REDACTED] a skinny, bald B/M who goes to Irving High School was the primary aggressor. Mark also stated that [REDACTED] who is a B/M 15-16 and goes to Irving High, [REDACTED] a B/M with short dreads who is a Junior at Irving High, [REDACTED] a B/M, 14-15 who goes to Irving High, and finally [REDACTED] W/M who is a drop out from Irving High and he believes to be 17-18 were involved. Mark said that once they started punching him he didn't know who all became involved. Mark did state that he thought he knew where they lived which is in the Cielo Azul Apartments across the street from the incident.</p> <p>A witness of the incident, [REDACTED] W/F [REDACTED] was driving by the altercation and turned around to come back and see what was going on. [REDACTED] stated that it looked like a mob of people and she was concerned for Mark. By the time that she got turned around and in the parking lot, all of the suspect's had fled on foot. [REDACTED] believes that some of the suspects reside at the Cielo Azul Apartments in [REDACTED]</p> <p>There were 3 more witnesses that came forward and spoke to Officer Padruft #975 about the altercation. They were able to give detailed descriptions of the suspects. [REDACTED] were there at the time of the altercation and stated that the altercation started at about 1700 hrs and was over in a</p>

Narrative

matter of minutes. The description of the first suspect who's name is [REDACTED] is a W/M wearing a black shirt and who may possibly be a Crip. The second suspect was [REDACTED] B/M who is in 10th grade at Irving High. The third suspect was [REDACTED] a short, skinny, B/M who is in the 9th grade at Irving High. The fourth suspect was [REDACTED] who is a tall B/M with short dreads and who was wearing a green shirt, white shoes, and a blue Captain America jacket. [REDACTED] was able to give us a good description of suspect number five [REDACTED] who is a B/M wearing a gray sweatshirt, khaki shorts, and white shoes and who is in 9th grade at Irving High. The sixth suspect was a B/M who was wearing a long red and black shirt and who has a tattoo on his right forearm.

I spoke to the manager at the Cielo Azul Apartments and she stated that she would have video footage of the incident. She also believes that the suspects live in [REDACTED] in her complex. She was able to pull the files on those apartments and give us that information. In apartment 2060 the residents are [REDACTED] B/M [REDACTED] and [REDACTED] B/F [REDACTED]. In apartment 2016 the residents are [REDACTED] B/F [REDACTED] and [REDACTED] B/M [REDACTED]. Due to the time of day we believed that the parents wouldn't be home so we will follow up with these two apartments in the morning. The manager will burn the video on a disk and call us when it is ready to pick up.

On 11/5/16 at 0800 hrs, I went on a follow up to [REDACTED] in regards to this incident. [REDACTED] spoke to us and said that she didn't have any children that went to Irving High School, but that her step son [REDACTED] may know who the boys were. [REDACTED] stated that he saw the fight, but he didn't know who any of the boys were. [REDACTED] stated that he plays basketball with a W/M named [REDACTED] but he isn't sure what his last name is or where he lives.

On 11/5/16 at 0824 hrs, I went to follow up with [REDACTED] regards to this incident. [REDACTED] answered the door and stated that the only kid that lived with him was his daughter and she was in junior high school. Neither [REDACTED] nor his daughter were home at the time of the incident.

I then went to [REDACTED] follow up with Mark, the victim. Mark stated that he did go to Baylor Hospital of Irving yesterday when his mom, [REDACTED] got home. Mark, due to his injuries was then transported, via ambulance, to Children's Hospital in Dallas. Mark had 2 separate CT scans that revealed that he had a right sided facial fracture that will need surgery. Mark will make an appointment on Monday 11/7/16 with an Ophthalmologist to have his eye check and with Surgery to schedule his facial reconstruction surgery. Mark also stated that he will have to see a dentist due to having 2 fractured teeth (left side lower molar, right side upper molar). Mark allowed me to take pictures of the damage to his face that shows the large amount of swelling to the right side of his face. [REDACTED] is going to scan the paper work from Mark's visit to the hospitals and e-mail them to me. When [REDACTED] e-mails me I will upload the paper work to DCS and also put a copy in the property room.

The photos of Mark were taken and uploaded to DCS.

Due to the severity of Mark's injuries and the need for him to have facial reconstruction surgery we are charging the suspects with Aggravated Assault Serious Bodily Injury. Due to there being more than 3 suspect's involved in the incident and a possibility of one of the suspect's being a gang member, we are adding Engaging in Criminal Activity to the charges.

[REDACTED] was able to e-mail me the information from Baylor and Children's that show the extent of Mark's injuries. I made a copy of the paper work and put them in the property tab and also uploaded the images to DCS. I was unable to upload the paper work to DCS due to the paperwork

I was called to the vice principal's office on the listed date and met with the vic and his mother. They informed me that he was assaulted on 11-4-16 and he had the first names of the sus. Vice Principal Gomez gave me a list with the sus info on it. Gomez met with the vic and checked the first names on the IHS student directory and he knew them because they ride the same bus as the vic. The victim informed me that he knew the sus. because they go to school at IHS and they ride the same bus. The sus told the vic that they were going to get him. He just did not know their last names, prior to that day.

I. Introduction

On 11/07/2016, I was assigned this case by CAPERS Sgt. Swann. I began looking into it and found that the suspects were positively identified in a secondary supplement, but there was no mention of how they were identified. I had the school officer, SRO C. Shield #625 send me photos of the suspects so that I could show them to the victim.

I made contact with the victim's mother, [REDACTED]. We made an appointment on 11/18/2016 for her to bring Mark Casarez in for a formal interview. In looking at the medical paperwork provided, Mark was diagnosed with two broken teeth and a broken orbital bone. He is also having vision problems. Mark is going to be seen by a dentist, plastic surgeon and an ophthalmologist for his injuries.

II. Interview with Victim - Mark Casarez

On 11/18/2016, Mark and his mother, Rosa, came in for the interview. Mark and Rosa were brought up to CID interview room #2. An audio/video recording was made of the interview.

A. The Story

Mark told me that this all started on Thursday, 11/03/2016. Mark was at school and had observed [REDACTED] hitting Mark's friend Jennifer [REDACTED] while they were in the school cafeteria area. Mark thought it was aggressive angry hitting rather than [REDACTED] just playing around with her. Mark stepped in between Jennifer and [REDACTED] to stop him from hitting her. [REDACTED] told Mark that it was none of his business. [REDACTED] also started calling him a "fag" and using other derogatory terms about the fact that Mark is openly gay.

During this altercation, [REDACTED] kept coming closer and closer to Mark while saying the derogatory terms to Mark. [REDACTED] got up into Mark's personal space, so Mark used both hands and shoved [REDACTED] back. [REDACTED] did not at that time assault Mark and Mark did nothing else in defense of himself or Jennifer. [REDACTED] told him that he was going to get a "butt whoopin" after school. [REDACTED] left and went back his table in the cafeteria.

Narrative

Nothing else happened that day but Mark kept hearing that [REDACTED] was telling other people that he was going beat Mark up. Mark said that he got on the bus but got off 2 stops after his normal bus stop to try to avoid [REDACTED] and his friends. Jennifer called Mark and told him that [REDACTED] was looking for him, so he carefully made his way home. Mark said he was able to make it home to his apartment without any problems.

On Friday, 11/04/2016, Mark went to school as normal. During the school day nothing happened. Mark again kept hearing that [REDACTED] and his friends were going to beat Mark up. Mark got on the bus and rode home as normal. [REDACTED] were on the bus as well but they normally get off at next stop after Mark's. This day, Mark got off the bus at his normal stop as did [REDACTED]. He observed [REDACTED] leaning up against a truck in a driveway at the bus stop. Mark got off and walked with a group of friends home. Mark knew that [REDACTED] was friends with [REDACTED], but doesn't go to school.

The group of guys waited until the bus drove off and go down the hill to the Trinity Apartments. They were following behind Mark and the group that Mark is with. Mark continued walking with the group. [REDACTED] walked up behind Mark and grabbed the top loop on his backpack. [REDACTED] called mark a "pussy" and then told him to "get ready to catch a round!" He pulled Mark into the middle of a circle formed by [REDACTED]. Mark walked away, but [REDACTED] kept walking around him and stepping in front of him to stop his progress. They were at the DART bus stop in front of the apartments. [REDACTED] puts his hand on Mark's chest and pushed him back into the circle of the guys. He told him again to "catch a round!" Mark told him no that he was not going to fight. Mark continued to try to walk but [REDACTED] kept walking in front of him trying to stop him from walking.

The group of guys is telling [REDACTED] to fight Mark and to hit Mark. [REDACTED] was walking behind him and kept saying that he wanted "to stick him right now!" [REDACTED] then punched Mark hard in the right side of his face. As soon as he was hit by [REDACTED] then hit him numerous times in the same part of his face. The guys saw the manager of the apartment complex drive up and they all ran away.

B. Mark's Injuries

Mark said that he did not really feel the first punch, but he instantly had a loud ringing in his ears and instant headache. Mark's left side of his face was swollen. His left eye was swollen shut. He could not move his jaw. He had a hard time talking because he could not move his jaw. Mark also had two of his teeth broken. Mark showed me his lower left back tooth which I could see was broken off. He then told me that his upper right molar tooth was broken.

After Mark went to the Irving hospital, they diagnosed him with a fractured orbital bone around his eye. The doctor referred him to a plastic surgeon for follow up because he thought it would need surgery.

I requested that [REDACTED] obtain the complete medical records for the hospital, dentist, eye doctor, and plastic surgeon for this incident.

C. Cell Phone Video

Mark and I looked at the cell phone video on my phone after he had sent it to me. He described [REDACTED] as wearing the green shirt. He described [REDACTED] as wearing the black shirt with white pants. He described [REDACTED] as the wearing black and the person who threw the first punch. He described [REDACTED] as wearing a black shirt and threw the multiple punches at the end of the video. There were several other people who were unidentified. The video will be explained in more detail later in this report.

D. Identification of the Suspects

Mark knew each of these suspects by sight and first name. He did not know their last names. He has known each of them for the last 3 months of school. He rides the bus with them every day. I decided it was not necessary to do photo line-ups with Mark for each suspect. I did show him their school ID photos and he was able to tell me who each one was.

We talked for a few more minutes and the interview was ended. This is just a summary of the interview. For the full interview, please refer to the recorded version.

III. Cell Phone Video

I reviewed the cell phone video sent to me by Mark. The video was stored in the DCS. It should be noted that the video only seems to play on Apple's Quick Time Player, not on Microsoft Media Player. The video is 43 seconds long, but shows the assault by both [REDACTED]. It also shows [REDACTED] moving around Mark trying to get in front of him several times. Below is a play by play of what is seen in the video:

00:00-00:02 - shows Mark walking on the sidewalk [REDACTED] moving in front of him and [REDACTED] walking behind [REDACTED]
00:02-00:03 - shows [REDACTED] getting in front of Mark and stopping him near the DART bus stop sign. The group of [REDACTED] surround Mark. There are some voices, but they are unintelligible.
00:03-00:16 - shows Mark turning around and going the other direction. You can hear someone saying "hit him!" [REDACTED] drops the backpack he was wearing and follows Mark. The rest of the group follows too.
00:16-00:34 - shows the group following Mark into the parking lot of the Cielo Azul Apartments. They are yelling at him. I can hear someone saying "Hit him [REDACTED]" but most of it is unintelligible.
00:35-00:36 - shows [REDACTED] coming up behind Mark and punching him in the right side of the face.
00:36-00:40 - shows [REDACTED] coming up after [REDACTED] and hitting Mark numerous times in the face and head.
00:40-00:43 - shows Mark moving up toward an apartment holding his head. The video stops.

IV. Warrant of Arrests - [REDACTED]

On 11/22/2016, I obtained an arrest warrant for [REDACTED] for Aggravated Assault causes Serious Bodily Injury. I took the warrants to Irving Municipal Judge Rodney Adams who reviewed them and signed them.

The warrants were taken to Records to be entered on the warrant module and NCIC. The Irving CIC put out a BOLO on the two suspects to patrol officers.

V. Interview with Witness - Beatrice Gandara

On 11/22/2016, I went to the Cielo Azul Apartments and contacted [REDACTED]. [REDACTED] came into the manager's office for an interview. The interview was audio recorded.

[REDACTED] said that she was just leaving her apartment with her 16 year old daughter, [REDACTED]. She was driving her black Honda Civic (seen in the surveillance video). They drove away from the parking spot and observed all of the kids surrounding Mark while he was trying to walk away. [REDACTED] told her that she it looked like there was fixing to be a fight. That was what made her start watching. She said that she saw a couple of the kids hit Mark in the face as she drove off. She had to turn around on Esters and come back because she was scared for Mark. She said it looked like all of the kids were jumping on Mark. [REDACTED] said when she was able to pull back into the apartment drive, the kids started scattering. [REDACTED] saw Mark and said his eye was swollen and blackened.

I asked if she recognized any of the kids. She said she did not. [REDACTED] did not think she would be able to identify anyone. She said she only saw it while she was passing by.

We talked for a few more minutes and the interview was ended. This is just a summary of the interview. For the full interview, please refer to the recorded version.

VI. Interview with Witness [REDACTED]

On 11/22/2016, I contacted the maintenance man, [REDACTED]. An audio recording was made of the interview.

[REDACTED] said he was walking eastbound through the parking lot where the assaulted occurred. He said that he had just come around the corner of the dumpster when he saw Mark lying on the ground holding his laptop. He could see that Mark had a swollen eye. He said that it swelled shut. Mark told [REDACTED] that he could not see out of his eye. [REDACTED] said that he did not see the actual assault. [REDACTED] said that there were probably 20 kids out there.

We talked for a few more minutes and the interview was ended. This is just a summary of the interview. For the full interview, please refer to the recorded version.

VII. Surveillance Video

On 11/22/2016, I contacted the manager of the Cielo Azul Apartments. She remembered the incident and said that she did have video surveillance of it. We found the clip and it was recorded into a Windows Media Player file. The video is not that great because the camera is a motion activated camera. The assault occurs at the far end of its view so the motion does not activate the camera well. It jumps around. You can see the group of kids ganging up on Mark. You can see [REDACTED] hit Mark and then it skips. You can see just after [REDACTED] hits Mark and then the kids start to scatter. Mark goes up toward the building while the kids scatter. The maintenance man, [REDACTED], walks around the corner just after the assault. He stops after he sees Mark injured and then goes over to him to help him.

VIII. Conclusion

This was not a fight between two people. Mark tried to avoid the conflict but [REDACTED] assaulted him anyway.

An Aggravated Assault case was filed on [REDACTED] They worked in collusion to assault Mark Casarez.

Narrative

IX. Medical Paperwork

On 12/12/2016, I received an email from Rosa Permodo (Casarez's mother) that contained the full medical report from Children's Hospital. It was later uploaded into DCS. As of the filing of this report, she was still working on the dental records. Once those are received, they will be uploaded into DCS.

X. Interview with Defendant - [REDACTED]

On 12/14/2016, I was notified that Defendant [REDACTED] was in-custody and was being transported to the Irving Jail. After he was booked, I went to the jail to see if he wanted to talk about his arrest. [REDACTED] told me that it didn't matter because it was not going to get him out of jail. I told him that was a correct assumption. He then told me "you can go on about your business!" and walked away. He was not interviewed.

XI. Conclusion
